REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: the closest prior art made of record fails to teach or suggest a system/method for interpolating image positions wherein the image is interpolated with 2 different filters, providing a different weight for each filter and selectively combining the output of each filter in accordance with the weighting coefficient. The weight coefficient is based on the image high frequency level.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
